

## WELCOME TO THE EVO FAMILY!

Thank you for your interest in joining the EVO Athletics All Star Cheerleading Program. We are truly excited for this upcoming season as we welcome the Funtastics Force athletes, staff and parents to our family. We believe in providing the best resources and overall experience for our athletes and feel strongly that our combined programs will stay true to up holding the high standards of excellence shared by both companies.

EVO's mission is to create a winning program focused on adding value to each individual athlete by teaching skills that will build confidence, self-control and sportsmanship. We recognize competitive cheerleading as a sport and train all our athletes accordingly. It is our expectation that all athletes, parents or responsible guardians understand the commitment that comes with this incredible experience.

During the team placement process, we will be evaluating and placing athletes on teams based on their skills, attitude, work ethic and experience. We ask that you accept your placement with a positive attitude and understand that our goal as a program is to set each team and individual up to succeed. On behalf of all of our EVO staff, we are proud to extend to you our warmest welcome into the EVO family. ## SPECIAL CIRCUMSTANCES

### PREP DIVISION

When making teams, we consider all USASF divisions as possibilities for our program, this includes Prep divisions. These teams have a lower financial responsibility and time commitment. We are unable to determine if we will have any Prep teams until after tryouts. If we decide to make any Prep teams at tryouts we will have a parent meeting the first week after tryouts.

### IMG SIDE LINE VARSITY CHEERLEADING:

Exciting news for EVO athletes! ONLY EVO All-Star athletes and IMG will have the opportunity to cheer for a Varsity side line cheerleading team at IMG Academy during the 2017-2018 academic year. We are still waiting to get our final details on this squad. When we have more information, we will let you know.

# COMPETITION INFORMATION

## **POLICY**

---

The two practices prior to a competition are MANDATORY in order to compete. Athletes that miss a competition event, for ANY reason (including missing a mandatory practice), will be charged a \$150 Fee. This fee will be immediately charged to your EVO account. We are implementing this fee to ensure that all members are committed to all competitions. It is extremely stressful for all coaches and athletes when someone has to miss. If an athlete is missing a competition, we will plan to schedule additional practice time.

## **SCHEDULE**

---

We do not have our competition schedule finalized at this time because the companies have not released their schedules; however, we do have a few important dates for you to be aware of.

PLEASE MAKE SURE YOU ARE PLANNING YOUR VACATION TRAVEL DATES AROUND THESE COMPETITIONS.

### **ALL OUT NATIONALS**

This competition is held at Gaylord Palm Resorts February 2nd-4th.

### **CHEERSPORT**

This competition is held at the Georgia World Congress Center February 17th-18th.

### **UCA NATIONALS**

This competition is held at the Wide World of Sports March 10th-11th. All athletes will receive a 3-day park hopper pass to the Disney Parks with their entry fee – This is already included in your assessment fees.

*\*The 2017 – 2018 Competition Schedule will be published no later than August 1st.*

# ATTENDANCE POLICIES

You are expected to attend all practices, exhibitions, and competitions as a team. Our routines incorporate every team member. One member's absence has a negative impact on the entire team.

## SUMMER POLICY

---

(May 23rd - August 19th)

Athletes may miss practice with an approved valid reason. See ABSENCE NOTIFICATION below. Please give the coaches at least ONE WEEK notice for planned vacations. Valid reasons for missing practices are vacations, contagious illness, death in family or any school functions. Other reasons, such as sunburns, fatigue, concerts, anniversaries, birthdays and not having a ride are NOT valid reasons to miss practice. Athletes missing excessive practices, whether the absences were for valid reasons or not, may be removed from the program. Summer practice attendance is required and is extremely crucial for the success of our teams.

## IN-SEASON POLICY

---

(August 20th – April 30th)

Athletes may miss UP TO SEVEN practices between August 20th – April 30th. After 7 absences, Jimmy and/or Dustin will have a parent meeting to discuss the athletes' placement for the remainder of the season. See ABSENCE NOTIFICATION below.

## SENIOR TEAMS PRACTICE SCHEDULE

---

Any athlete between the ages of 11 & 18 are eligible to make a Senior team. If your child makes one of our Senior teams, they will have 2 different practice schedules: A Summer Practice Schedule and an In-Season Practice Schedule (See Attendance Policy for details). All Senior teams will have TWO weekday practices during the Summer schedule - Both days of practice will fall between Monday and Thursday. This gives families more flexibility when planning summer vacations. Senior teams will begin the In-Season Schedule on Sunday August 28th. At this time, all Senior teams will discontinue one of their weekday practices and add Sunday practices for the remainder of the season. One of the main reasons why we have the Senior teams practice on Sundays, is to allow our High School athletes to participate in school-related extracurricular activities. Most of our High School athletes have jobs and/or participate in School sports - By having a weekend practice it makes their busy schedules slightly more manageable. For any Sunday practice that is canceled due to a competition, we may schedule a "Make Up Practice" on a Friday from 5-7pm. This date could be the Friday before OR after the missed date and will be assigned on your monthly calendar.

## ABSENCE NOTIFICATION

---

Please call EVO at 941-222-0888 for all absences. Follow the instructions to leave a voicemail for Jimmy Lassiter in the cheerleading program. Please include a detailed explanation for why your athlete is missing. Please do not email, text or call any staff to report an absence – every absence needs to be reported thru the voicemail system. If you are unable to commit to our full year attendance policy, your family may need to consider joining our Mid-Season REC team instead – information for this program will be released in the Fall.

## HOLIDAY SCHEDULE

---

During the dates below, no practices are mandatory and will NOT count towards your 7 allowed absences during the In-Season Schedule. Depending on the staff schedules, we may still have practices; however, they will not count against you.

- Memorial Day Holiday: May 29th
- 4th of July Break: July 3th – 7th

## F.A.Q's

- **I already have cheer shoes. Can I remove them from the payment due to save money?** No items can be omitted. New shoes are required for all athletes.
- **What if I attend tryouts but decide I'm not going to take a spot on a team once the rosters are posted?** We create our teams assuming everyone will accept a position on the team. If people choose not to accept a position it can change the way we have put together our teams so we **STRONGLY DISCOURAGE** you from going through the evaluation process unless you are prepared to accept a position on any team we decide you would best serve. However once the rosters are posted if you elect not to accept a position on the team you have been placed on **AND** you notify us of your intentions prior to your first practice, we will refund your tryout payment but not your registration fee.
- **Can I register for a team after tryouts?** We create our teams based on who attends evaluations in May. We cannot guarantee placement on a squad after Tryouts. Generally, there are spots available on most teams and we will place athletes we feel will benefit an already formed team after tryouts, but there is no guarantee of placement after tryouts.
- **How are team placements decided?** We will be evaluating athletes during tryouts. Many factors affect the placement of each cheerleader. Tumbling, stunting, jumps, motions, dance are some of the deciding factors. Additionally, attitude, maturity, past attendance, and history also plays a part in the decision making process. Generally, we prefer to consider first age, second tumbling skills, and third the specific needs of a particular team.
- **What days will my team practice on?** At the "Roster Reveal Night" we will be handing out team calendars. All teams will practice 2 days a week. Tiny, Mini, Youth, and Junior will have the same scheduled days in effect for the entire season unless there are unforeseen circumstances requiring a change. All Senior teams will have **TWO** weekday practices during the Summer schedule - Both days of practice will be between Monday thru Thursday and will be assigned on their monthly calendar. Senior teams will begin the In-Season Schedule on the designated day. At this time, all Senior teams will discontinue one of their weekday practices and add the Sunday practice for the remainder of the season. Exact practice days and times will be released.
- **What Tumbling Skills does my child need to make a specific team?** There is no exact answer to this considering tumble is just one section of the score sheet. We are strict on progression and our progression chart lists the skills that will make your athlete successful based on their tumble skills at the appropriate level.
- **What type of payment is accepted at EVO?** EVO will be on Auto Debit **ONLY** for your monthly tuition for the season. Those not wishing to do auto debit will need to make one annual payment when registering.
- **Can you guarantee I will be a Flyer?** No. You will be placed on a team based upon your overall "fit" for that specific team. Sometimes we train more flyers than we actually need. We will put our best flyers in the air at competition. This is no reflection on your effort. If you will only accept a position on a specific team or you only want to cheer if you can be a flyer, then this is not the right program for you. We want cheerleaders that want to be a part of our **TEAMS** and program.
- **What about Summer Vacations?** We encourage our cheerleaders to take time for their families over the summer. Please refer to the "Important Dates" & "Holiday Schedule" sections in this packet for when we are closed during the summer and school year. We ask our families to try to plan their vacations around these dates. Your tuition will not be pro-rated for any absences. Absences are not permitted or approved during Skills Camp, Choreography Camp, Week before a competition or a Competition itself.

- **What if I want to take the entire summer off?** We will accept athletes on our teams in August, provided that space is available. However, we will fill our teams as quickly as possible and will not hold spots for anyone taking the summer off unless they are making monthly payments. Even if you are going to miss MOST of the summer but will be here SOME dates, it is usually beneficial to pay your monthly fees and try out in May. May through August is an incredible time to increase individual skills, and should not be missed. Additionally, please remember that if you join after tryouts, extra fees apply.
- **Can I be an All Star Cheerleader for EVO and still cheer for my high school team?** Absolutely!!! We encourage the athletes to do both and it proves to make a better cheerleader.
- **Am I required to attend Choreography Camp?** Yes. This is when the team will learn the routine for the competitive season. If you are not able to attend camp for any reason, you will not be choreographed into the routine. The exact times during these dates are TBD but most likely will occur in August.
- **When is my monthly tuition payment due?** If you are not paying in full, your payment will be automatically debited on the 1st of the month for the following month, unless you have come in PRIOR to the 1st and made a payment. Additionally, if your credit card is declined you will be notified. A late fee of \$15 will be charged to the account on the 5th. We have financial responsibilities and depend on your timely payments. We appreciate your planning accordingly.
- **Are Tumbling/Flyers Classes included in my tuition?** There will be classes offered each week for each level tumbling available only to our full season cheerleaders. These classes are included in their tuition and can attend as many classes that are offered each week. The coaches will let the athletes know which one of these classes to attend (including Flyers Class). If the classes start to have very high attendance, then we may require a signup sheet prior to the class. Classes can be cancelled at any time and no prorating will occur.
- Could my actions as a parent affect my athlete's involvement with EVO? Absolutely. We welcome your comments and concerns. We also believe negativity is extremely contagious and ask that you not share negative comments with other families. A positive atmosphere is the best way to achieve our goals. We don't want stage moms, or people that thrive on drama!! If you can't be positive and helpful, please don't sign your child up for cheerleading here at EVO. We want to surround ourselves with happy families!

**We are so excited to have you in our program and look forward to a GREAT season! Please let us know if you have any additional questions!**
